How to survive an apocalypse (various forms) Part 1- Robots.

11 0 2

Chapter 1 by Josh Harris

Well, I have firsthand experience with this one. Mainly as it was my fault.

Let's go back to the start. Th world in 2043 was not that much of a good place. WE had developed the Rosen Drive. This gave us the stars. The wealthy went first. Sucks for them. The only ships were only experimental
